Forecast for Monday 27 Nov 2023

Weather: Cloudy overnight with a short spell of rain and drizzle in the early hours. It will turn drier and clearer around dawn with the day bright with some good sunny spells developing.

Chance of cloud-free hill tops above 700m: 10% overnight rising to 90% by soon after dawn.

Low cloud and visibility: Extensive cloud in early hours bases down to 400-600m with poor visibility in drizzle, this cloud mostly clearing by dawn with the odd patch left above 700m, this lifting in morning and bringing very good visibility during the day.
